Arden ME Trading LLC

AN INDUSTRY LEADER

With more than ten years of experience in the MEP department, Malik Group was initiated by Altamash Malik in 2021. After working with Morris Group International for a lengthy period, he decided to go his own way and hence became the CEO and Founder of Malik Group.

Considering his knowledge and network reach throughout the Middle East, North Africa, Central and South-East Asia, he learned the trade of the MEP division fairly quickly. Being continually proactive in the market has led Altamash to make sales a craft in his profession. Altamash regularly thrives on winning every single project in the region wherever his products are specified.

FLUSH 95

Designed in Dubai
Made in Turkey
Low Cost
10 Year Warranty

Manufactured in Pinar Caddesi No: 72 Pinarbasi Izmir where quality control, quality assurance and testing takes place before being shipped off to its final destination.

SPECIFICATION

Complies with the specifications of EN 14055 CL I-7-NL I VR II.

Features a discharge volume of 3/6 L, making it ideal for dry wall and brick wall installations.

Completely preassembled in the factory, ensuring ease of installation.

Boasts a maximum water tank capacity of 10 L, with a tank depth of 80 mm (overall thickness including frame 100 mm).

Equipped with a mechanical dual flush system for efficient water use.

Water supply connection located at the top right, with a G 1/2 male connection.

Meets acoustic class 1st Class EN 14124 for the inlet valve.

Capable of handling water flow pressure of 0.3 MPa (3 bar) and a maximum volume of 9.0 dB, with a flow rate of 9 L/min.

Constructed with an impact copolymer special PP body, providing high resistance to impact and thermal shock.

Features a powder-coated tubing profile thick metal frame (30 mm x 40 mm).

Comes with a 10-year warranty for added peace of mind.

WC hanging rods can bear up to 400 KGs, with adjustable distances of 18 or 23 cm between toilet bowls.

PLATES

Colours and finish can be customised upon order placement, customer will have to provide the exact RAL number.
